

Hello! Mr. Ralph & Sherry Hocking.

I sent a letter 5 days ago.

It did not mean Nam June's Zen FILM  
-LIKE.  
but means ABE's Zen Letter.

When you saw it you would imagine everything  
it meant.

But it was very simple. I had some mistake,  
mixed up, several letters, and sent you blank space.  
It might be really "spaced out". I am sorry what I did!

Just ~~at~~ 1 month ago.

On my way back to TOKYO, I met several  
old students who had video synthesizer, and  
ask them every V.S. was working well or not.

Ed Williams' had sync problem but now it is fine  
after fixing by engineer that Ed paid \$75 for it.

Sharon's machine had one cable problem I fixed it.

Michael Scroggins' was working after I checked it in L.A.  
just 1 month ago.

Only Paul Chalacons' who is living in around of  
Chicago, did not finished at all.

If you would like to have more Video Synthesizer

PAR AVION 航 空 郵 便

I might be able to do, now. I want to make  
more small one, just half size and including  
2 - studio free. generator and simple switcher.  
Maybe Beginning of Autumn I will finish it.

now I am too busy in my company but, soon I have  
time to crazy think and do. I hope you will be  
fine and be thinking CRAZY VIDEO with  
NAM JUNE.
